DJ Mysterons & Murilo Marrom

DJ Mysterons & Murilo Marrom is a DJ & Percussionist project that offers a dynamic act, merging the modern sound of a DJ with the explosive energy of percussion instruments.

DJ Mysterons is an award - winning DJ who represented Greece in the IDA World DJ Championship 2017 in the Show Category and currently performs in many clubs and events around Poland.

Murilo Marrom comes from Salvador, Bahia - Brazil, bringing with his percussion the roots and rhythms of Latin America.

In their show they perform a diverse open format set that combines multiple genres such as Hip - Hop, R&B and Pop to House, Moombahton and Twerk and of course extends to Latin culture from Reggaeton to Brazilian Funk.

Their performance is a high - energy show with advanced turntablism and mixing skills combined with a full percussion set that spices up each song and creates a unique and soulful musical journey for the audience.

DJ Mysterons

DJ, Turntablist & Music producer

DJ Mysterons is inspired and influenced mainly by the Hip - Hop and Funk scene. His passion and love for music, vinyl and turntables caused him to explore various genres. This contributed to the development of his musical taste and his approach to his DJ sets.

His experience in DJ competitions, performances and shows has helped him become a party rocker who knows how to read the crowd and get them going.

Murilo Marrom

Percussionist & Drummer

Murilo Marrom has been a percussionist and a drummer for many bands throughout the years, and is a full - time professional dancer and animator. He is excellent at adjusting to any musical style and bringing in his spirit, blending rhythms from Samba to Salsa, Latin Jazz and Funk, adding soul to every event, making his performance the salt and pepper of the night.

As an animator and a true showman, he engages with the crowd and creates a vibe straight from the carnival of Brazil or the barrios of Havana.
