BIOGRAPHY

ALTERNATIVE METAL FROM POLAND

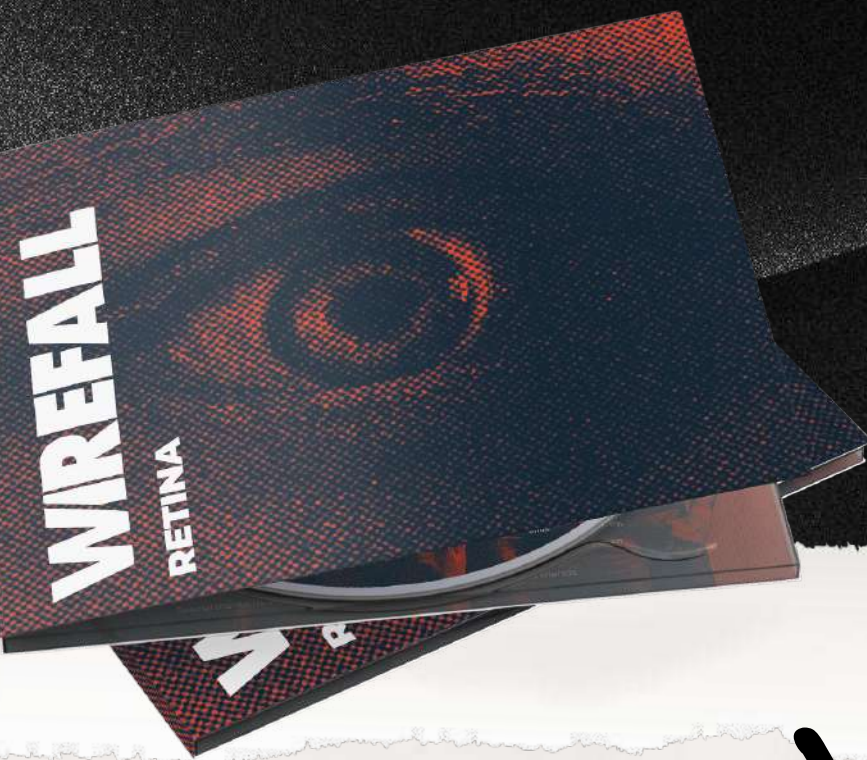

Merging the stylistics of renowned alternative metal acts with the attitude of contemporary hip-hop, Wirefall brings the past into the future through their eclectic mixture of styles. This poland-based band's genre-bending ambition is grounded in the propensity towards undeniable grooves which cut just as deep in a live setting as they do through a pair of headphones.

Always in search of new ways to advance their sonic expression, Wirefall is cut out to be the secret weapon of the polish alternative metal scene.

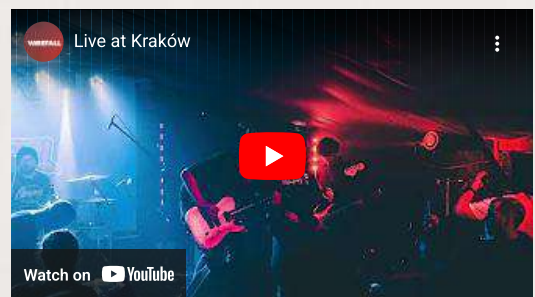

MUSIC

"Retina" is the debut album of Wirefall and presents their fully shaped sound packed with witty rapping, metal intensity, catchy riffs, sharp scratches, melodic samples and groovy rhythms.
